

Company One presents...

ARTiculation

A Boston premiere conceived by Tory Bullock
Directed by Lois Roach

- ◆ “Embedded in the rhythms, always, is a lyricism and honesty enough to take your breath away.”
- ◆ “There is nothing an entire audience can do but leap to its feet shouting for joy!”
- Theatre Mirror

Set in the not-so-distant-future, ARTiculation follows the journey of six Boston poets as they weave their way through the vast jungles of their own imaginations. Armed with only words, this young diverse ensemble provides a mosaic of life, love, youth, race & art set to a thundering mix of urban poetics and dynamic live theatre. Written by the performers themselves, Company One is proud to present the artistic revolution that is ARTiculation.
