

# COMPANY ONE THEATRE: SOUND OPERATOR & ENGINEER

Company One Theatre seeks candidates for the position of Sound Operator & Engineer for their production of Idris Goodwin's HYPE MAN: a break beat play, to be directed by Shawn LaCount.

Sound load-in will be January 18-19, and tech will begin January 20, with opening January 27 and load-out on February 25. All rehearsals & meetings are weeknights and weekend days. The production runs January 27 - February 24, with shows Wednesday through Saturday nights, Sunday matinees, and potential morning matinees on select Fridays.

## JOB DESCRIPTION

- Attend and participate in load-in, tech rehearsals, previews, and performances
- Setup and strike sound tech tables and intercom systems as needed
- Maintain paperwork of rental inventory so as to ensure returns
- Assist in the installation and maintenance of all sound equipment in the theatre
- Assist in development of prompt book (track for sound cues)
- Operation of sound board and running Qlab during rehearsals and performances
- Prepare, maintain, and troubleshoot wired and wireless microphones for rehearsals and performances
- Run live audio mixing during rehearsals and performances
- Assist actors with wearing/using microphones as needed

## REQUIREMENTS

Previous experience in live sound mixing required. Candidates should have a working knowledge of digital audio consoles, wireless microphone systems and Apple Mac computers. Experience in theatre a plus, but not required.

Candidates from diverse backgrounds and/or traditionally under-represented groups are strongly encouraged to apply. Boston based candidates or those who have their own housing/transportation in the Boston-area only.
